Quotation is for immediate acceptance and subject to change without notice. It is understood there are no conditions or agreements outside of this written proposal and that all prior conversations, agreements or representations with reference to the subject matter are superseded. We reserve the right to correct typographical errors. Specifications are approximate only and intended solely as a guide. Title to property described above shall remain vested in seller until the entire purchase price is paid in full. The described equipment does not incorporate approved activating mechanisms, operator safety devices, or safety guards as required by O.S.H.A. or otherwise. It is the purchaser's responsibility that said equipment be so equipped and safeguarded to meet O.S.H.A. and other requirements before placing such equipment in operation. We do not imply or guarantee any compliance with any government safety requirements or standards. It is further understood and agreed this buyer or subsequent buyers will hold vendor harmless for causes of action whatsoever. This agreement constitutes the entire contract of sale of the goods named herein. No modification of this contract shall be binding upon Seller unless in writing and signed by an authorized officer of Seller.
